

# Atria Institute Of Technology

# **About Us**

Department of Computer Science & The Engineering was established in the year 2000. Department offers a wide array of research programs opportunities and of study at undergraduate and postgraduate level. The department encourages students to gain practical skills and a strong understanding of core computer science areas. It has also received funding by VGST & KSCST, Government of Karnataka and Department of Science and Technology, Government of India. Faculty and students often collaborate on projects, working side-by-side with researchers from other colleges and departments across the campus. The students get to build specialist knowledge in the field of applied computer sciences with the flexibility to follow their interest through the choice of varied optional modules, courses and electives. The vibrant academic environment and a tradition of active participation in technical events by the Computer Science & Engineering Department have resulted in publications in premier conference proceedings and leading journals.

Odd Sem 2021-22

TO BE A MODEL CENTER FOR EDUCATION AND HIGHER LEARNING TO MEET THE COMPUTING CHALLENGES OF THE INDUSTRIAL DEMANDS, RESEARCH, ENCOURAGE INTERDISCIPLINARY LEARNING TO MEET SOCIETAL NEEDS.

VISION

#### MISSION

M1 - EMPOWER THE GRADUATES WITH THE FUNDAMENTALS IN DESIGN AND IMPLEMENTATION OF COMPUTATIONAL SYSTEMS THROUGH CURRICULUM AND RESEARCH IN COLLABORATION WITH INDUSTRIES AND INSTITUTES OF REPUTE.

M2 - TO DEVELOP A STATE-OF-THE-ART INFRASTRUCTURE AND CREATE AMBIENCE FOR EDUCATION CAPABLE OF INTERDISCIPLINARY RESEARCH AND SKILL ENHANCEMENT.

M3 - TO NURTURE FACULTY WHO HAVE ACADEMIC AND INDUSTRY EXPOSURE, TO IMPART DOMAIN KNOWLEDGE AND TO POSITION OUR STUDENTS IN THE GLOBAL IT ECOSYSTEM.

M4 - TO CARRY OUT PROFESSIONAL BRILLIANCE WITH •ETHICAL AND MORAL STANDARDS

# Activities conducted in Jan

### **TECHNICAL TALK ON ENGINEERING ETHICS**

Department of CSE conducted technical seminar on 8-1-22 from 8:30 to 10.30 am on topic : engineering ethics. speaker of session was Mr. Veereshkumar Hiremath. What is Ethics? Code of Ethics, Possible source of conflicts, CSI, How to Solve problems, Principles of product, Data breach in social media, Banks, Govt. sectors, Image diagnostics, e-commerce transactions, Health care algorithms, Importance of designing and developing accurately, Stories, Importance to follow check list and maintain accuracy, Case study on Data

Science

# Live Technical Talk ENGINEERING ETHICS

.....moral responsibility that a person feels

8th January 2022 9:30 - 11:30 AM

Mr. Veereshkumar Hiremath Program manager (Data Science and Al)

SkyCliff IT, Bengaluru

ISTE STUDENT CHAPTER PRESENTS

DEVELOPING ROBUST DATABASE APPLICATIONS USING JDBC API

# WORKSHOP ON DEVELOPING ROBUST DATABASE APPLICATIONS USING JDBC API

Department of CSE conducted technical seminar on 17-1-22 on topic :Developing Robust database applications using JDBC API. speaker of session was Prof. Jayanthi M G. concepts like Connect to the database. Execute queries and update statements to the database. Retrieve the result received from the database were discussed

Resource Person: Prof. Jayanthi M G Associate Professor, Department of CSE Cambridge Institute of Technology, K R Puram, Bangalore

# WEBINAR ON APPLE IN HIGHER EDUCATION

Department of CSE conducted technical seminar on 29-1-22 on topic Apple in Higher Education and App Development. Speaker of session was Mr. Shibu M.V,Senior Techno-Commercial Manager-Apple Mobility Group, Redington India Limited, Bangalore. content discussed was Apple and higher education, App Development – Develop in Swift – Programme overview , SWIFT Curriculum Pathway, Develop in Swift – Professional Learning, Demo of SWIFT – Create a simple iPhone App using SWIFT and Xcode

#### Speaker SHIBU M V

Senior Techno-Commercial Manager- Apple Mobility Group, Redington India Limited Bangalore shibu.mv@redington.co.in

#### **DBMS MINI PROJECT EXPO**

Department of CSE conducted DBMS mini Project expo on 12-2-22. Judge for the event was of session was Mr. Prof. Jayanthi M G an Associate Professor in the Department of CSE. Her academic interests include Microprocessor and Microcontroller, Embedded System, Machine Learning, Database Management systems, Java Programming. Python and data analytics.. Projects were judged on different criterias like – E R Diagram Explanation, Cardinality Ratio, Design and architecture

ISTE Student Chapter Presents DBMS Project Expo

google meet link : meet.google.com/izb-yqou-otx JUDGE : **Prof. Jayanthi M G** Associate Professor, Department of CSE, Cambridge Institute of Technology, Bangalore

DATE : 12th February 2022 TIME : 10:00am to 1:00pm

#### **ALUMNI FELICITATION**

Atria Institute of Technology felicitated First Batch students of Computer Science & Engineering on 17th Feb 2022 for the success in Business as Aussie AI sport analytics start-up Gameface.AI has been acquired by listed sports equipment giant Slinger Bags, in a deal worth almost \$33 million. Students of the Computer Science & Engineering branch interacted with the Alumni and got insights about how to start business and be more job-givers than job seekers.

#### **TECH TALK ON "APPLICATIONS OF DATA STRUCTURES**

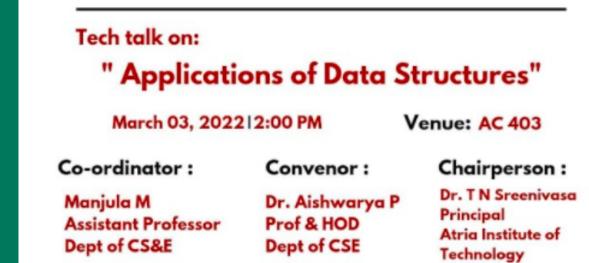

Department of CSE conducted technical seminar on 4-3-22 on topic Apple in Higher Education and App Development. The Speaker Dr. Kiran K has started the session by highlighting the importance of knowing data structures for computer science courses. He elaborated with the data structures fundamental concepts and also covered advanced topics of data structures such as B trees, B+ trees, AVL trees 2-3 trees, File management etc. He also covered the real time applications of data structures. He covered graph related concepts including coloring problems.

# STUDENT DEVELOPMENT PROGRAM ON ENVIRONMENT AND SUSTAINABILITY USING IOT

conducted Talk Department of CSE on **Environment and Sustainability using IoT from** 19-05-2022 to 21-05-2022. Speaker for the session was Dr.Srinivas setty. Dept of CS&E Atria institute of technology, Anand Nagar, Bangalore. topic discussed were- Transmit a string using UART, Point-to-Point communication of two Motes over the radio frequency. Multi-point to single point communication of Motes over the radio frequency.LAN (Subnetting), I2C protocol study , Reading Temperature and Relative Humidity value from the senso

#### **INDUSTRIAL VISIT TO ETHNUS SOFTWARE SOLUTION**

An Industrial visit to "Ethnus" SST Chambers, Jayanagar 5th block, Bengaluru – 560041 was organized by the Department of Computer Science and Engineering of Atria Institute of Technology on 21st of May 2022.

There were sixty four students of 6th sem who attended this Industrial visit along with three Faculty members.

# ALUMNI CONNECT - TALK BY ALUMNI ON "WHAT COMPANIES ARE LOOKING FOR IN YOU"?

The alumni are the best examples of how the Department progresses in the positive plane. To encourage and inspire the budding engineers of the Department, in the various series of Alumni Talks, in a session by Ms. Ananya Sen on "What are the Companies looking for in a candidate" to encourage the students to groom themselves to become productive by their graduation.

DATE: 28th MAY 2022
TIME: 9:30 - 10:30am

Encyclopedias and other Multimedia resources. The Vision and Mision of library was explained in the Beginning, They gave Details about VTU-E-Consorrtium, DELNET, NDLI etc

# **INDUSTRIAL VISIT TO ETHNUS SOFTWARE SOLUTION**

An Industrial visit to "Ethnus" SST Chambers, Jayanagar 5th block, Bengaluru – 560041 was organized by the Department of Computer Science and Engineering of Atria Institute of Technology on 9th of June 2022.

There were sixty four students of 4th sem who attended this Industrial visit along with three Faculty members.

# **Activities conducted in June**

# **PROJECT HARIYALI**

Department of CSE conducted Talk on Fundamentals of azure and cloud computing on 06-6-2022. List of activities conducted were Walkathon, Environ Quiz, Plant a Sapling, Short film on Environment. Walkathon was one of the main events under Project Hariyali. The event was flagged off by our principal Dr. T N Sreenivas. Walkathon was one of the main events under Project Hariyali. The event was flagged off by our principal Dr. T N Sreenivas.

### AWARENESS OF LIBRARY RESOURCES

Talk on Library E-resources was held on 9th june 2022 by Librarian Dr. Usha P S. She has given Information about the Total no books available in the Library like **30,000** Books, Newspapers, Magzines etc.It also contains Technical, National International journals,e-books, and Encyclopedias and other Multimedia resources. The Vision and Mision of library was explained in the Beginning, They gave **Details** about **VTU-E-Consorrtium**, **DELNET, NDLI etc** 

#### **BOOTCAMP ON JAVA**

Boot camp on java was conducted by Department of CSE. Speaker of the session was Mr. Maqdum sharif. Topics coverd in the session are:

- 1. Introduction to JAVA.
- 2. Inheritance, Polymorphism.
- 3. Function overloading & overriding
- 4. Hands-on session on above topics

# Activities conducted in June

## **"STUDY TIPS ON MAKING LEARNING EFFORTLESS"**

Department of CSE conducted Talk on "Study tips on making learning effortless" on O6-6-2022 for 2nd sem students of B and C Sec. Speaker for the session was Ms. Vivyana. study tips like – Pick a place and time, Study every day, Plan your time, Discover your learning style, Review and revise, Take breaks, Ask for help, Stay motivated, App it up, Look after yourself were shared with students.

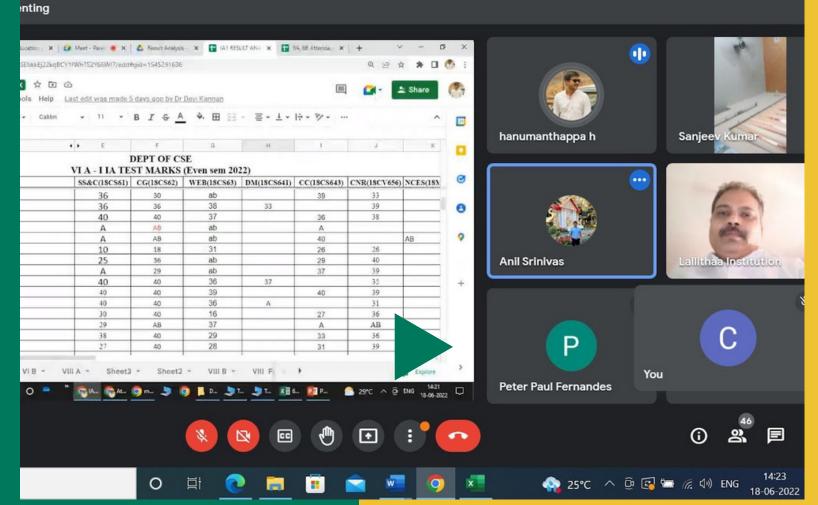

#### **INDUSTRIAL VISIT TO CAPGEMINI**

Industrial An visit Capgemini to Bangalore 560066, India 158–162(P) & 165 - 170(P), EPIP Phase II, Whitefield, was organized by the Department of Computer Science and Engineering of Atria Institute of Technology on the 16th of June 2022. **There were 6 students from the in-campus** C2TC training program conducted by the **TNS India Foundation who attended this** Industrial visit along with the technical trainer. The session started by interacting with the Vice President, Delivery Exec.

#### VI & VIII SEM PTM

The Department of Computer Science and Engineering had organized a Parent-Teacher meet on Saturday, 18th June 2022. It was conducted in the online mode. The purpose behind arranging this meet was to interact with parents of students and to make them aware about the Vision, Mission, PEOs of the department along with the performance of their ward at institute.

During the session there was a personal meet with Class teachers and subject teacher.

# Activities conducted in June

#### **TOPPERS FELICITATION**

Department of computer science & engineering ,Atria Institute of Technology always takes pride to acknowledge the achievements of the students in scholastic and co-scholastic spheres. Like every year, the toppers of 5th semester CSE & 7th semester CSE VTU exam 2021-22 were presented with Memento. On 20th June 2022, the toppers of 5th semester CSE & 7th semester CSE VTU exam 2021-22 were invited to the College. The ceremony was held in the Seminar hall. The occasion was graced by the presence of our HOD Dr.Aishwarya P and Class coordinators.

### **OPEN DAY - PROJECT EXPO**

Final Year project Expo was conducted on 22/6/2022. 39 batches of final year cse students attended the expo. Out of this Judges selected three projects

- 1.Emergency vehicle detection as First Prize
- 2. Health Trail as Second Prize
- **3.Gram Vikash Third Prize**

# WORKSHOP - PEER TO PEER LEARNING SESSION ON CANVA & FIGMA

The Department of Computer Science and Engineering had organized workshop on Peer to Peer learning session on CANVA & FIGMA , 30th June 2022.

Topics discussed were

1. Introduction to Figma.

2. Introduction tyo Canva.

3. Hands-on session on above topics

These batches are awarded with certificate and cash prize. All the remaining batches are given participation certificate.
