Sambhram Institute of Technology

Hesaraghatta Rd, Jalahalli East, Bengaluru, Karnataka 560097

From   3.12.2021

Dr. Latha P H
Professor and Head,
Dept of ISE,
Sambhram Institute of Technology,

To whomsoever it may concern

      I had reviewed the modern tools used by the Department of Computer Science and Engineering, Atria Institute of Technology. I would like to highlight the NS3 usage, RPA tool, RAID case study tool. These tools give a new dimension to Computer Networks, Automation and Software Engineering subjects respectively. These tools add value to learning perspective.

Keep up the good work and continue practising more innovative practices. Thanking you,

Yours faithfully,

Head of the Department of
Information Science Engineering
Sambhram Institute of Technology
Bangalore - 560 097.
