7	Dr. Rajendra Kumar M S	HOD-Mechanical Dept
8	Dr. Nalinakshi N	HOD-Basic Science

Agenda: Planning Awareness Webinars for the faculty & students on Innovation & Entrepreneurship

- The Cell noticed that there is a need of more Entrepreneurship Ideas to come from the departments- students & faculty.
- To address the issue, it was discussed & decided that webinar can be one of the ways to reach out to the students as well as faculty given the pandemic lockdown situation.
- It was finalised that 2 webinars will be conducted to support the idea of initiatives and awareness about entrepreneurship. One webinar will be conducted by the external expert & another one will be done by internal expert faculty member.

ATRIA INSTITUTE OF TECHNOLOGY

- It was decided to take the support of an external expert in this area for the webinar to be conducted.
- The ideas were generated on what are the important aspects that can be focussed on in the webinar.
- Prof. Purnajit, ABIC Head was chosen to take the next webinar as an Internal expert faculty member.

The meeting ended with the chairperson thanking all the members for their support & co-operation to drive Innovation & Entrepreneurship.
