Training and Placements - Minutes of Meeting

Date: 1.6.2020

Respected All,

Sub: Training and Placements for 2020-21 batch (both Aptitude and Tech)

- 1) TPO meeting commenced at 12.35 pm in the Board Room
- 2) CEO suggested to add "Students not responded for placement Registration" Column
- 3) CSE HOD – Assessment Partner has to be finalized at the earliest (for 2021 batch)
- 4) CEO : criteria of mass recruiter plays a major role during recruitment, which has to analyzed
- 5) CEO – Vendor who delivers classes off line should be in a position to handle online classes and must provide material also
- 6) CEO: Vendors must be knowing more organizations and should have more question papers as well
- 7) CEO: Technical content for 4th sem specified has to be modified in consultation with HOD
- 8) Principal: explained about the latest COMSOL software
- 9) CEO: for the previous 2019-20 batch – common set of Aptitude and Tech questionnaire has to be prepared
- 10) CEO: every year from 3rd sem onwards students have to do one project
- 11) Civil HOD: last year out of 60 students in a batch only 8 students have shown interest in different projects. Involvement of students necessary though it was made mandatory.
- 12) Principal – Matching between company internship openings and students placed in different companies has to be worked on.

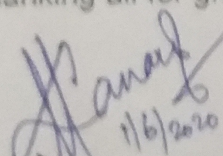

Conclusion:

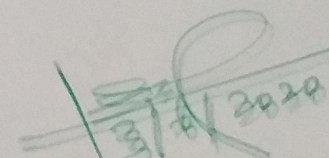

CEO suggested Head TPO, that at least by end of 8th sem = placements have to reach 200, more students have to be placed in ECE / Mech and Civil

Head TPO has to discuss with different Assessment Partners like COCUBES and AMCAT and get their quotation.

CEO concluded the Meeting at 1.50 pm by thanking all who attended the meeting.

Thanking all for giving your valuable suggestions.
