FEEDBACK AND ACTION TAKEN :2021-2022

STUDENTS FEEDBACK:

| S. No | Feedback | Action Taken |
|-------|--|--|
| 1 | Software courses used for multidisciplinary works are needed | Department follows VTU Curriculum. Courses like python have been included in new syllabus. |
| 2 | Need more technical webinars from experts | As per department calendar, Department organizes technical webinars periodically. More number of technical webinars will be planned and organized |
| 3 | More attention should be given to students who score less mark in critical subjects. | Department arranges special classes to slow learners. Faculties are instructed to take remedial classes for students who scored less marks in critical subjects. |

TEACHERS FEEDBACK:

| S.NO | FEEDBACK | ACTION TAKEN |
|------|--|---|
| 1 | Students should be encouraged to take Field oriented elective subjects | Many elective subjects are field oriented. Students can take according to their field of interest. Faculties are instructed to explain students about the scope of each elective subjects |
| 2 | Faculties should be encouraged to register Ph.D | Research is a part of department activity. Faculties are encouraged and permitted to do Ph.D |
| 3 | Faculties should be encouraged to do patent work | Information about different government initiative schemes related to patent filling were shared with faculties. Faculties are encouraged to do patent. |

ALUMINI FEEDBACK:

| S.NO | FEEDBACK | ACTION TAKEN |
|------|--|---|
| 1 | Core company placement should be arranged | More emphasizing on the Core company to place the students by giving training on the company requirement. |
| 2 | Require software subjects to work in multidisciplinary field | Department focus on multidisciplinary subjects. Software subjects like python has been included in 2021 syllabus. |
| 3 | Need more certificate course | Department offers various certificate courses. Students are allowed to choose according to their interest. |

EMPLOYEE FEEDBACK:

| S.NO | SUGGESTION GIVEN | ACTION TAKEN |
|------|--|--|
| 1 | Skill development courses should be introduced | NEP guidelines were followed in 2021 scheme. Skill development courses were introduced in 2021 syllabus and the same will be followed |
| 2 | Students should be trained in oral communication | Students who needs help in oral communication are identified and for oral training they were linked with English language handling faculties |

FEEDBACK AND ACTION TAKEN :2020-2021

STUDENTS FEEDBACK:

| S. No | Feedback | Action Taken |
|-------|--|---|
| 1 | National cadet corps activities must be initiated. | Feasibility of conducting National cadet corps camps in the college will be discussed with principal and will be initiated. |
| 2 | Need Project expo for civil engineering. | Project expo for student project were arranged to expose their talent |

TEACHERS FEEDBACK:

| S.NO | FEEDBACK | ACTION TAKEN |
|------|--|--|
| 1 | Need To encourage students to enrol NPTEL courses | List of NPTEL courses were shared with students. Students were encouraged to enrol NPTEL courses. |
| 2 | Facilities should be encouraged to study course era and MOOC courses | Faculties are encouraged to enrol for course era and MOOC courses |
| 3 | Students should be guided about BE Honours degree | Faculties were instructed to identify the students who are eligible for BE honours and guide the students about the procedure and requirement to get BE Honours degree |

ALUMINI FEEDBACK:

| S.NO | FEEDBACK | ACTION TAKEN |
|------|---|--|
| 1 | Field oriented topic for final year project should be suggested | Students can select various field oriented project topic. Field oriented projects for different specializations were suggested. |
| 2 | Implant training should be arranged to students to gain practical knowledge | As per the syllabus, department encourage the students to undergo implant training in reputed company to gain practical exposure. |
| 3 | Students need frequent interaction with professionals industry | Department periodically arrange various guest lecturers and seminars for students. The sessions were handled by industry resource persons. |

EMPLOYEE FEEDBACK:

| S.NO | SUGGESTION GIVEN | ACTION TAKEN |
|------|--|---|
| 1 | Verbal and written communication should be practiced for industry standard | Students who require help in verbal and written communication are identified and trained by English language handling faculties |
| 2 | Design thinking courses should be taught | Add on course on design thinking is offered to students to meet industrial demand |

FEEDBACK AND ACTION TAKEN :2019-2020

STUDENTS FEEDBACK:

| S. No | Feedback | Action Taken |
|-------|---|---|
| 1 | Need training on field oriented civil software courses. | Department periodically arranges field oriented training. Civil software courses were arranged to students. |
| 2 | More field visit can be organized | Initiation has been taken to organize more field visit |

TEACHERS FEEDBACK:

| S.NO | FEEDBACK | ACTION TAKEN |
|------|--|---|
| 1 | BIM software training needed for civil engineering students | BIM software training were organized for students to get exposed in advanced software's. |
| 2 | Facilities for Innovative teaching methods should be provided | Faculties are encouraged to use innovative teaching methods and facilities needed for the same is arranged. |
| 3 | Permission should be granted to faculties to pursue part time Ph.D | Faculties are encouraged to pursue Ph.D and are sanctioned with sabbatical leave |

ALUMINI FEEDBACK:

| S.NO | FEEDBACK | ACTION TAKEN |
|------|---|--|
| 1 | Job oriented electives should be suggested | Students can select various job oriented elective from the curriculum. Job oriented electives such as rehabilitation and retrofitting are suggested. |
| 2 | Industry visit should be arranged for practical exposure | Department arrange periodic industrial visit for students to gain practical knowledge |
| 3 | Develop more professionals making them expertise in job-oriented specialization | Various job-oriented specializations are available in civil engineering. Students can choose their specialization; department will support the same. |

EMPLOYEE FEEDBACK:

| S.NO | SUGGESTION GIVEN | ACTION TAKEN |
|------|--|--|
| 1 | Effective communication should be emphasised | Students who require help in effective communication are identified and specially trained by faculties who handles English subject |
| 2 | Industry oriented courses should be taught | Industry oriented courses as per syllabus were offered as electives, and students are encouraged to study the same |

FEEDBACK AND ACTION TAKEN :2018-2019

STUDENTS FEEDBACK:

| S. No | Feedback | Action Taken |
|-------|---|---|
| 1 | Cultural activities need to be conducted. | Initiation has been taken to conduct Cultural activities. |
| 2 | Guidance about civil engineering government jobs is needed. | Faculties are instructed to guide students about the Government job opportunity |

TEACHERS FEEDBACK:

| S.NO | FEEDBACK | ACTION TAKEN |
|------|---|---|
| 1 | Project management software training needed for civil engineering students | Project management software training were organized for students to enrich their knowledge in the advanced tool |
| 2 | Faculties should be encouraged to publish research papers in reputed journals | Faculties are encouraged to publish research papers in reputed journals. |
| 3 | Reward for paper publication should be initiated | Research committee will discuss and update the research policy, after approval the same will be initiated |

ALUMINI FEEDBACK:

| S.NO | FEEDBACK | ACTION TAKEN |
|------|--|---|
| 1 | Conduct technical seminars periodically | Technical seminars were planned in the department calendar and are conducted periodically |
| 2 | Civil oriented placements should be arranged | Department placement coordinator along with the team were requested to contact and visit civil engineering companies and arrange for placements |
| 3 | Include more cultural activities | Cultural activities are arranged periodically |

EMPLOYEE FEEDBACK:

| S.NO | SUGGESTION GIVEN | ACTION TAKEN |
|------|---|--|
| 1 | Aptitude training should be emphasised | Aptitude training is a part of placement training and it's provided to meet industry standards |
| 2 | Students should be familiar with Practical Knowledge about BIM Software | BIM workshop were organized for students |

FEEDBACK AND ACTION TAKEN :2017-2018

STUDENTS FEEDBACK:

| S. No | Feedback | Action Taken |
|-------|--|--|
| 1 | Career oriented certificate course need to be conducted. | Department offers career oriented certificate courses. Students can choose any course according to their field of |
| 2 | Industrial Visit need to be arranged periodically. | To give practical exposure, department arranges industry visit. Faculties are instructed to arrange industry visit to students periodically. |
| 3 | Guidance required to pursue higher studies in foreign countries. | Faculties are instructed to guide students about the procedure of pursuing higher studies in abroad. |

TEACHERS FEEDBACK:

| S.NO | FEEDBACK | ACTION TAKEN |
|------|---|--|
| 1 | Advanced CADD Software training needed for civil engineering students | Advanced CADD Software training were organized for students to enrich their knowledge in the advanced tool |
| 2 | Faculties should be encouraged to attend more FDP | More number of FDPs are arranged in the college related to the recent technology and encouraged to attend various FDP organized in other institute |
| 3 | Civil Core company placements should be arranged for the students | Informed Placement officer to arrange more civil core company placements and conducted soft skill program for the students |

ALUMINI FEEDBACK:

| S.NO | FEEDBACK | ACTION TAKEN |
|------|--|---|
| 1 | Core company placement should be arranged | More emphasizing on the Core company to place the students by giving training on the company requirement. |
| 2 | Requesting to provide civil software related trainings | Civil software training is part of placement training and it arranged based on companies visiting the institute |
| 3 | Include more technical activities | Technical activities are arranged periodically |

EMPLOYEE FEEDBACK:

| S.NO | SUGGESTION GIVEN | ACTION TAKEN |
|------|--|--|
| 1 | Soft skill training should be emphasised | Soft skill training is a part of placement training and it's provided to meet industry standards |
| 2 | Students should be trained in verbal communication | Students who require help in communication are identified and trained by English language handling faculty |
