

# **"FIRST FRONTIER" - A poster cum collage contest & exhibition.**

**Organized jointly by Dept. of ISE& ME**

## **Report**

Date: 02.11.2018

Venue: New Seminar hall

Time: 10.30 a.m

*"Art expression is a unique way of linking imagination and creativity with the shades and tints of hues and colors."*

**"FIRST FRONTIER"**- An event exclusively for the 1<sup>st</sup> year students of Atria Institute of Technology was conducted by Dept. Of ISE in association with Dept. Of ME on 2<sup>nd</sup> November 2018. The event showcased a collage making competition and a poster making competition. An exhibition was organized in Main seminar hall displaying all the entries.

The exhibition was inaugurated by a ribbon cutting ceremony by Principal Dr.K V Narayanaswamy. The event witnessed enthusiastic participation of students for both collage and poster competition. They exhibited their talent through their art work accompanied with relative captions and slogans.

The theme for collage was "Save mother earth" and for poster was "Engineering". Prof. Archana Motta, Prof. Kamala Sugandhi, Mrs.Arptha and Mr. Narasimha Shastri were the judges. Entries were judged based on creativity, application of materials, neatness, colour balance and composition. All entries were worth praising but three entries each from collage and poster were adjudged the best as they won the heart of the judges.

In the valedictory function, the winners were given cash prizes and certificates by Principal Dr.K V Narayanaswamy, Dr. Shanti Mahesh,( HOD, ISE department ) and Dr. Rajshekhar Patil, (HOD, ME department ). All the participants were appreciated for their efforts. We look forward to many such activities for the 1<sup>st</sup> year students in the future.

These type of event encourages and supports students to nurture and enhance their potential in lieu with their academic and industrial pursuit.

All the students expressed their view that they are very much happy and satisfied with the Skill Development programs conducted and suggested to have few more of these kind of Programs in future.

for exchanging ideas and experiences, and for facilitating interactions and collaborations among the research community

to encourage students to present their ideas and provide them an opportunity to apply for government funding to convert their IDEA to a PRODUCT.

Freshers Day is meant for interaction between seniors and freshers so that they mingle with one another easily.

The most important thing is to be together and make the freshers feel good about being a part of your college.

to encourage their creative impulses to boost their confidence.

create an atmosphere of interaction between seniors and juniors.

Moreover, these types of celebrations help juniors to mingle with seniors and forma a splendid co-ordination. This leads to a better understanding among all and a feeling of co-operation is fostered.

To create an atmosphere that minimizes anxiety, promotes positive attitudes, and stimulates an excitement for learning. • To provide a welcoming atmosphere for students and families to meet faculty, staff, and continuing students, as well as other new students

- Students will become familiar with the campus environment.
- Students will feel confident and excited about their decision to attend Indiana University East.
