No. KSTePS/VGST-RFTT/2016-17/243 Date: 27.11.2017

Dear Sir,

Sub. Intimation of selection of the project under the VGST scheme of RFTT- reg

Greetings from the Dept. of Information Technology, Biotechnology and Science & Technology!!

We are pleased to inform you that the project titled "**Arduino-based Cardiac monitoring model using PPG and GSR sensor**" submitted under the VGST scheme of RFTT for the financial year 2016-17 has been approved by the Government based on the recommendations of Vision Group on Science and Technology under the Chairmanship of Prof. CNR Rao, Honorary President, INCASR.

You are requested to take an immediate action to initiate the project at the earliest and to be completed within a year after receiving the cheque of 1st instalment from our office. The total grant allocated for the project is **Rs. 5.00 lakh**.

The grant will be paid to the Head of the Institution, under whose supervision the Principal investigator shall be responsible for completion of the stated objectives of the project. The Principal Investigator through the Institution Head shall have to submit the progress report in soft copy (word & pdf) once in 3 months without any fail. The grants shall be used only for the purposes described in the grant application by following due procedures of KTPP Act. Any deviation from the scheduled plan must have a prior approval from the VGST. A sample copy of the Utilization Certificate is enclosed for information and necessary action in the future.

The funding agency has the right to terminate the project, if it is found to be not satisfactorily pursuing and fulfilling the stated project goals and objectives. Any unspent balance must be returned back to the funding agency within 60 days following the conclusion of the project. Any publications or other dissemination
