**TRAINING & PLACEMENTS DEPARTMENT – BRIEF PROFILE**

---

**Dr. H.R. ANANTH**

**Associate Professor of MBA Dept and Head TPO**  
**ananth.h@atria.edu tpo@atria.edu**

**Role of Training and Placement Department**

Placement and Training department at Atria Institute of Technology, is headed by Dr. H.R. Ananth, who tirelessly works for the welfare of the department and students & is dedicated in developing an efficient recruitment system that can build a reliable pool of talents who can fortify the values of the institute. Students are provided with several facilities so that they achieve the highest scholarly levels and prepare them for positions of leadership and lives of service in all fields of human endeavor.

The Training and Placement department undertakes various activities such as providing placement assistance, career counseling, higher education counseling and organizing training & development programs for faculty and students. It also drives industry interaction, corporate academic partnerships and majorly recruitments.

Endless learning opportunities are provided to all students which intensify and formulate their operational skills required to make a difference in their professional approach and is guided to identify the right opportunities for their future career and support in their day to day endeavors. The Training and Placement Department provides ample support for the recruitment processes conducted by various companies during their visit to college with the requested standard of infrastructure.

Training and placement department handles ON CAMPUS & OFF CAMPUS placements for UG and PG graduating students and has a consistent record of placing the students in various prestigious companies every year.
