**Project Summary** - Promoting the Importance of Maths through fun activities, sessions and Quizes.

## **Project Description** -

Mathematics day was celebrated by Rotaract club of Atria Institute of Technology in honor of mathematical genius Srinivasa Ramanujan on Dec-22nd.

Rotaract club of Atria conducted an activity called **Brain Freeze** after college hours i.e around 16:00 Hrs. This activity was conducted via Google Forms in the form of a quiz consisting of 20 questions related to the field of Mathematics.

There were interactive sessions by our Maths Department Lecturers to learn maths in a fun way.

Other Competitions conducted on that day were Poster making, Best out of waste, Fun math quizzes and many more!

**Project Summary** - A year-end Extravaganza to Promote "Rotaract" in our Institute and gather new members and also to raise funds for further projects.

### Project Description -

ENDGAME' 21 was an initiative to spread news about Rotaract in our college and gathering new members by organizing fun events like:

- **Fashion Show**
- **Squid Game**
- **Scavenger Hunt**
- **Short Cricket**
- **Secret Santa**
- **Shrinking Island**

Most of the events were completed on the same day, while some events' finals were held on a later date. Everyone thoroughly enjoyed the day a lot and we were able to get people interested to join as new members into our Rotaract Family!

**Project Summary** - A Project to Spread Warmth and Smiles across the streets of Bangalore

### **Project Description** -

The joy of giving was an initiative taken up by **Rotaract club of Atria Institute of Technology** in Support of Christ the Savior Church, where donation amount collected from the faculty and students of Atria Institute of Technology was used for buying the necessities like Blankets, caps, toothpaste, toothbrushes, soaps, and bread which was distributed among the people in need who were living on the streets of Malleshwaram and Yeshwanthpur.

The above mentioned items were made into kits and distributed in the early hours of 3rd Jan Morning.

We successfully donated around 50 Kits to the homeless, underprivileged and also labour workers living on the streets.
