Dr. A.R. MOHAMED SHANAVAS

Associate Professor and Registrar of Attendance,

Department of Computer Science

Jamal Mohamed College,

Tiruchirappalli – 620 020.

Tamilnadu (state)

<u>To whomsoever it may concern</u>

I have looked at the various Innovative Teaching Methods used by the faculty of Computer Science and Engineering, Atria Institute of Technology, Bengaluru – 24. The Advanced tools like Proteus, PSPICE will be certainly helpful for the students and by using these techniques they can design their own circuits for any electrical appliances. The tools like WEKA, Jupyter will help the students on ML Based Projects. This adds as an Add–on Course for them. Keep the good work going and practice more innovative Teaching methods in future.

Thanking you,

Yours faithfully,

Dr. A.R. MOHAMED SHANAVAS
