Department of Training and Placements

Training & Placement Presentation on 7.1.2021
Minutes of Meeting

Dear All,

Date: 7.1.2021

Sub: **Training & Placement Presentation**

Presentation commenced at 11.15 am & concluded at 12.30 pm

Dr.H.R.Ananth – Head T & P – presented T & P ppt for BE-2020 and 2021

Principal: SWOT Analysis to be given by T&P dept, Dept wise training
One of the coordinator will be supporting Trg and Placement dept as Assistant TPO
Off campus placements to be counted (collect details from all pass out students for the past 3 years, which will help for NBA documentation)

ECE - Mr.Sameera : Labs numbers are to be increased. Internet facility to be increased. More systems with latest version to be included to labs.

Mech Mr.Anjan: students do not have CAMERA / internet facility at their end. Hence they were not able to attend some interviews

CIVIL Mr.Naga S: good placements in 2020, students have joined, they are to be placed in core companies, they are now jumping from Core to IT, students lack in Aptitude trg, if trained they can join software companies also, can go to sites for placements.

ISE Ms.Vaishali: we have 97 students, 60% + we have 70 students, they lag in Aptitude and verbal
Quantech Origin Training was done, students lag in confidence, they are to be motivated, for these students online experience is new, they have to log into different platforms, hence they are finding it difficult to crack online tests, some have laptop / camera issue, for further drives, they can be allowed to take test in our college labs itself.

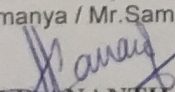

Prof. Vasanthi : had taken students in the past to ISRO / DD / BSNL for Industrial visits

Conclusion:

Principal Sir advised the following:

1. All the coordinators to collect data of systems in their respective labs: working / not working/ how to upgrade / whetherto be replaced/ internet facility / power back up etc..
2. Head tpo to formulate Placement policy along with TPO Coordinators and get back
3. 2021 students who are placed must train their juniors
4. Industrial visits for Mech / Civil to be increased (Min. of 2 visits every year)
5. Mini projects to be carried out in all branches
6. Students to join small companies and enhance knowledge

Attendies: Principal / Dr.Shivaiah / Dr.H.R.ANANTH/Prof.Vasanthi/ Ms.Vaishali / Mr.Anjan / Mr. Naga subramanya / Mr.Sameera
