EXTEMPORA CLUB ACTIVITY

Date: 26th March 2019 at 1.30 P.M.

Faculty coordinator:

Mrs. Kavitha S patil

Assistant professor Dept of ISE

Judge For the Event

Mrs. Kavitha Vasanth

Assistant professor Dept of ISE

Venue : Room number Ac 208

Description of the Activity: A debate club gives students all the ability a fun way of developing a oral skill. Club also informs students more about political and global affairs or provide a venue for the students to train for debate competition with local college or at the national level.

The Basic Rules of Debates

As mentioned before, debates follow a structure to keep the communication flow organized. Students should keep the following rules in mind:

1. The affirmative side is the first to speak up. A response from the negative side then follows. Each member of the opposing sides should take their turns in speaking.
2. Each speaker is given a maximum of one minute to speak. Once the time runs out, the

speaker must close their speech or be halted.

3. Interruption on the speaker is strictly prohibited.

4. The audience, who often act as judges, cannot participate in the debate.

5. The voting from the audience is often done with a show of hands. The majority wins.

Debate Topics

- Is technology increasing people's quality of life?
- Is artificial intelligence dangerous?
- Should potential employers consider an applicant's social media during a job application?
- Are cameras on drones effective in maintaining security in public spaces or are they a violation of privacy?
- Should humans invest in technology to colonize other planets
- Has email improved communication?

Programs organizes:

- ❖ Intra department debate programs
- ❖ Annual inter department debate program
- .

Number of Participants : 28 Participants.

Outcome of the Program:

1. Focuses on giving student of all abilities a fun way of developing their oracy skills
2. It helps to improve the critical thinking and confident communication among students.
3. Developing effective speech composition and delivery.
4. Encouraging teamwork.
5. Enhancing the ability to structure and organize thoughts.
6. Improving rigorous higher order and critical thinking skills.
